Package size (L x W x H)	180 x 125 x 21 mm
Net weight	13.7 g
Gross weight	19.1 g
EAN code	5901720131300
Warranty	24 months

Description

Akyga® AK-CA-08 is a high quality cable that allows extension of the ATX 12V EPS power supply cables. A **20 cm** long cable is a good option for insufficient basic cable lengths, especially in case of larger and more spacious enclosures.
